e you cry, write them down carefully and completely.  
you were yesterday, not to who someone else is today.  
know is more important than what you already know.  
so that he or she can ask you to do one in the future.  
does things, instead of the one who is seen to do things.  
something that needs fixing, and propose a solution.  
something you need to know, listen so they will share it.  
trying to order anything more complicated than that.  
And that's that.
