*If you
obsess
over
whether
you are
making
the right
decision,
you are
basically
assuming
that the
universe
will
reward
you for
one thing
and
punish
you for
another.
The
universe
has no
fixed
agenda.
Once you
make any
decision,
it works
around
that
decision.
There is
no right
or wrong,
only a
series of
possibilities
that shift
with each
thought,
feeling,
and action
that you
experience.*
